

BX CREEK TRAIL

BX Creek Falls

This trail section has a trail head and parking at each end. Park at either the Tillicum Road parking lot, 2 km from the junction of Silver Star Road, or at the trail head on Star Road. You can experience the cool, humid world of birch trees, devil's club, horsetail and cedar trees along this 2 km, creek-side trail. This trail also connects to the Grey Canal trail just 300 meters north of the Star Road trail head.

BX Creek Delta

This section of trail goes from Frontage Road on Highway 97 to 48th Avenue. Parking is available on the cul-de-sac at the north end of 20th Street, or on the south end of Frontage Road. The trail provides boardwalks across wetland to protect this sensitive ecosystem.
